4th October 2024

Nasal Flu Vaccination Consent

Please see below message from the immunisation team:

Your child's flu vaccination is now due and the school session is booked for 22 October 2024.

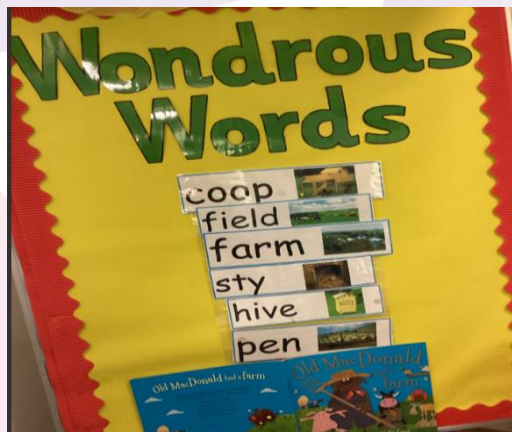

Please complete the electronic consent form using the link below before 15 October 2024. (one for each child) to ensure your child receives their vaccination.

<https://nhslmms.azurewebsites.net/session/47143563>

Once your child has received their flu vaccination, you will receive an email with our contact details and possible side effects listed. If you have any queries, please contact the school age immunisation service on 0333 358 3397. If your child has already had the Flu vaccine since September 2024 please complete a refusal form. If you have any problems accessing the link, please telephone 0333 358 3397.

Nursery 'Old Macdonald had a Farm'

Nursery have loved learning the nursery rhyme 'Old Macdonald had a farm' they have shown they are brilliant at singing and performing. The children have loved learning more about animals and the farm. We have painted horses, made animal footprints, and performed as animals. We cannot wait to see what nursery rhyme we learn next week!

Reception are Thankful

This week Reception have been reading a book called 'We are family'. From our story the children have been talking about their family, what they enjoy doing with their family and what they are thankful for.

Joshua- *'I am thankful for my Nanna making me lovely Christmas dinners.'*

Cayde- *'I am thankful for my Daddy building me some Lego, a Batman car that he got from the shop.'*

Finley- *'I am thankful for my family as they take care of me and play fun games.'*

Year 1's Local Walk

On Wednesday, Year 1 children went on a walk around the local area to find human features linked to our geography topic. They were brilliant at locating the human features and ticking them off their checklist. We then visited the local community centre where we looked at images of human features that have changed overtime and even had a talk from the local member of parliament! Thank you so much to the Fulforth Centre for having us.

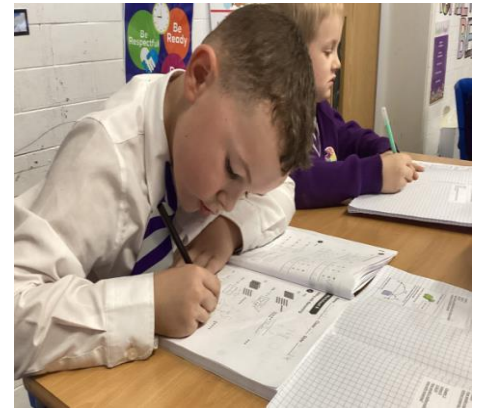

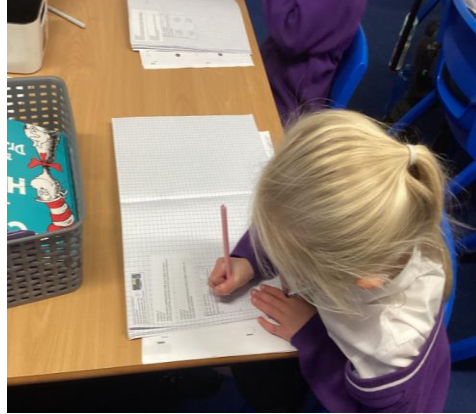

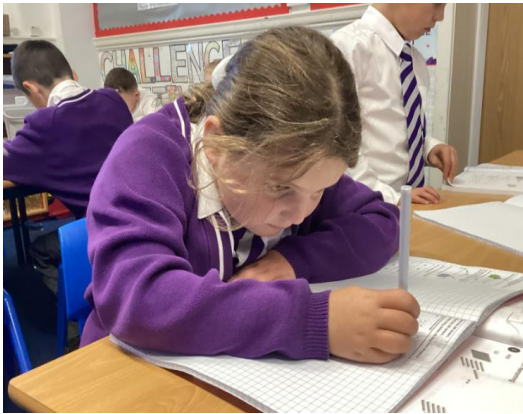

Year 2 Team Games

Year 2 have been enjoying ball skills and team games in their PE lessons so far this half term. The children have thoroughly enjoyed these games and have demonstrated excellent teamwork. As the weeks progress, the children will continue to hone their skills in these games.

Year 3 Work Hard in Maths

This week, in Maths, Year 3 have been working on column addition. We began the week by adding only in the ones column. We have now began the tricky task of renaming. Well done Year 3!

Year 4 Explore Newspaper Reports

This week in reading lessons, Year 4 have been exploring the features of newspaper reports. Children were given sections of an unseen report and were tasked to restructure it using their knowledge of key features. The class worked in teams to piece together the newspaper and they all understood that newspapers start with a headline and use sub-headings to group sections of information. The children were also tasked with writing their own headlines for different events. They came up with brilliant, eye-catching headlines to grab their readers' attention!

Year 5 'Being in my World'

Year 5 have been enjoying their topic in PSHE 'Being in my World'. This week we have been looking at rewards and consequences and looking at why we think it is a good idea to have them. We also came up with ideas on different rewards and consequences we should have both in school and out of school.

Year 6 Enjoy their Science Lessons

In science this week, year 6 have been learning about the different components of our blood. We learned that our blood contains red blood cells, white blood cells, platelets and plasma and we looked at the role of each of these. To demonstrate this, we then created our own blood using cheerios to represent our red blood cells, marshmallows to represent our white blood cells, sprinkles to represent our platelets and yellow-dyed water to represent our plasma. Take a look at what we created!

The menu for week beginning **7th October is Week 1**. School dinners are £14.05 per week, paid online by Monday please. Our school menu can now be found on our website. If you would like to look at the options with your child, please use the following link.

Class Attendance

Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
85.60%	98.45%	93.32%	96.61%	92.81%	96.98%	93.09%	92.76%

The government expectation is 96% attendance for individual pupils and school. Attendance and punctuality really matter to your child's education - every day counts! When your child's attendance drops below 95% school will begin monitoring. Referrals to the local authority may also be made if there is no improvement seen.

Weekly Awards

Our Headteacher Awards were presented today to **Year** in KS1 and **Year** in KS2 the following children who have all impressed their class teacher:

Nursery: Declan Gray

Reception: Abigail Parshad
